- Registration with ESIC and EPFO has been made real-time by eliminating all physical touch-points. The requirement of opening a bank account has been removed as a mandatory condition for registration with ESIC and EPFO. - Form INC 29 has been launched by Ministry of Corporate Affairs to avail 3 pre-registration services viz. 'Name Availability', 'Director Identification Number' and 'incorporation of company' with one form and one payment.

The above significant changes will scale down the number of procedures and days taken to start a business which will slash the costs involved as well.

- Municipal Corporation of Greater Mumbai (MCGM) has completed the process of single window approval by integrating with internal departments as well as, AAI and NMA through a common application form. NoCs from Maharashtra Industrial Development Corporation (MIDC), Director of Industries, Collector and Maharashtra Housing and Area Development Authority (MHADA) have been eliminated. The manual application for grant of construction permits has been discontinued.
- Municipal Corporations of Delhi have completed the process of single window approval by integrating with internal departments as well as DMRC, Delhi Fire Services, DUAC, AAI and NMA through a common application form. NOC from Labor Department of Delhi Government is not required if no manufacturing activity is undertaken in the building. It has also introduced digital signing of building permit application, as well as sanctioned maps, thereby eliminating the need of physical submission of documents. Manual submission of application for grant of construction permits has been done away with. Ministry of Urban Development and Delhi Development Authority (DDA) have notified the Unified building Bye-laws.
