# Solar Facts - Numerical Walk Through

Size  
**100 kw**

Cost  
**65 Lakhs**

Energy Generated  
**1.4-1.5 lac units PA**

Area Req  
**10,000 sq. ft.**

Maintenance  
**1.5% cost PA**

Life  
**30+ Years**

Warranty  
**20 Years**

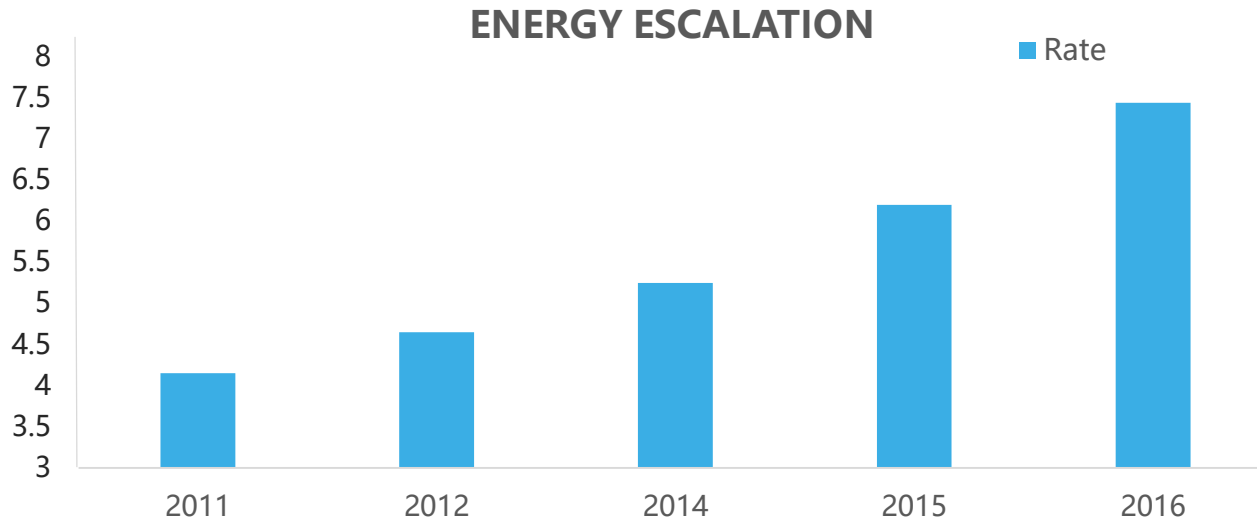

Payback  
**4 to 6 years**  
Effective:  
**2 years**

Year 20 Efficiency  
**80 - 85%**  
*backed by warranty*

Depreciation  
**80 %**  
*reducing to 40%*

The Energy Rate is increasing at **5% - 7% per annum**

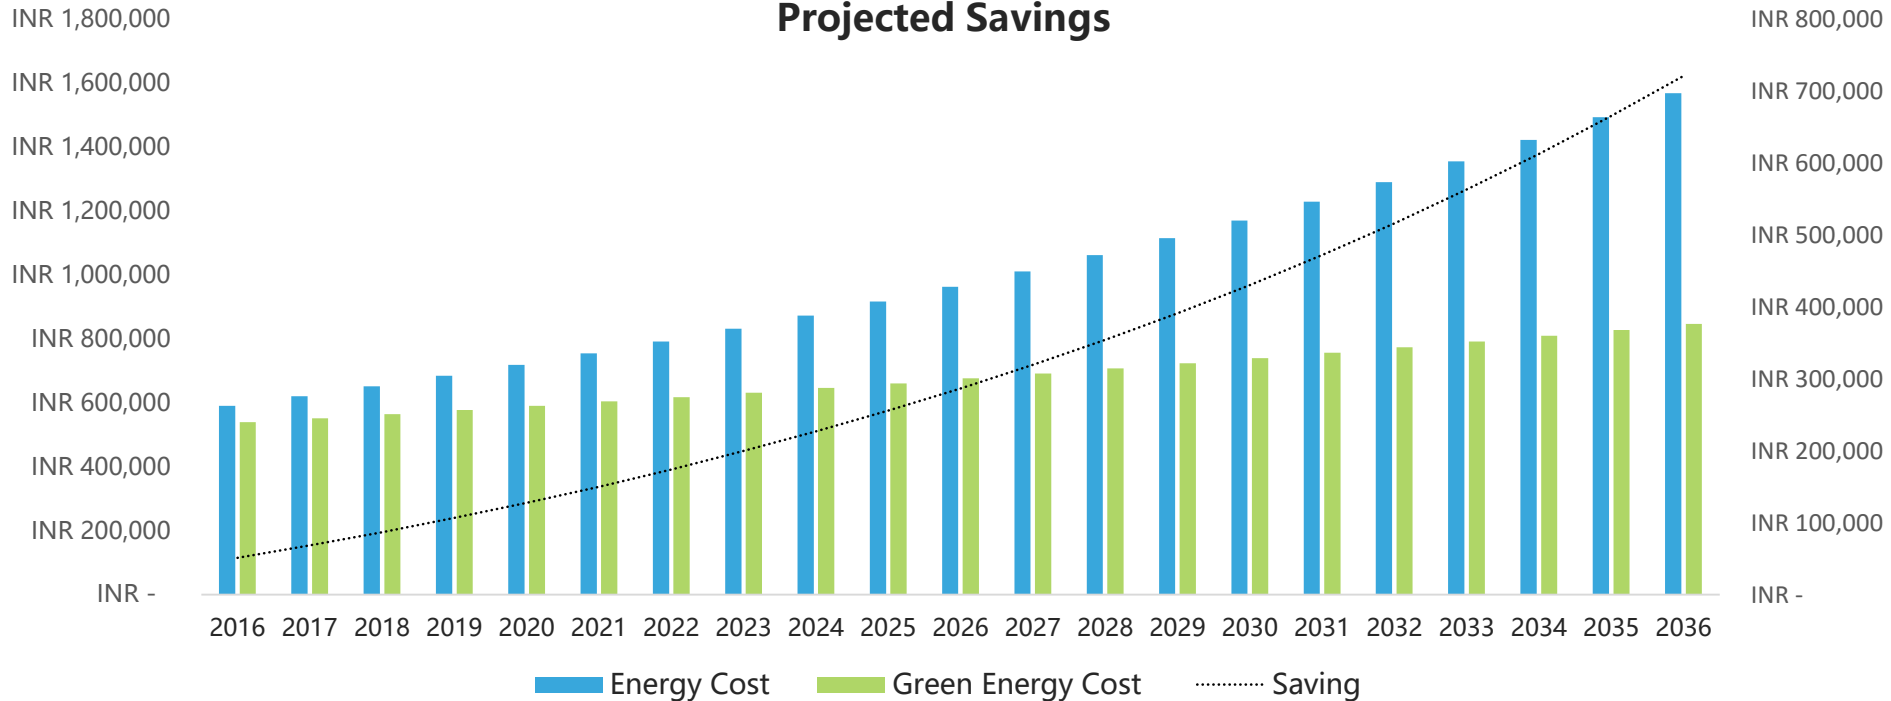

# Energy Savings Analysis\*

**Before**  
7.5 Rs/unit  
5-7% per annum  
increment

**After**  
6.6 Rs/unit  
3% per annum  
increment

**Solar:** 40 kWp, South Facing, Ahmedabad

## Projected Savings

# Client Commitment

**Advance Payment**  
**1 Month bill**  
as LC

**Payment Security**  
**1 Year bill**  
as SD/BG

Buy **solar power plant**  
anytime, at depreciated  
value

**Power Purchase Agreement**  
**Long term agreement**  
*25 years*

## **Bill Payment Terms:**

- › Timely payment, **via ECS**
- › Delayed payment penalties
